---

Det. Paglia,

See attached for the emails for July 9th, 2018 to or from Bethany Isaac. If she accepted a meeting, it would be included in the attached emails. We do not have any way to know what time she may read the emails or appointments.

Aaron L. Kennedy
Assistant Director of Technology Services
City of Bakersfield

Subject: FW: E-mail request

Lieutenant Coronado – I was just notified of new protocols regarding requests for information from I.T. Please see a request I sent out Monday for information related to an assigned case.

Thank you.

Subject: E-mail request

Mr. Provonost,

Could you please review the account for Officer Bethany Isaac and advise if she had any e-mail related activity on 7-9-2018 between 11:00 a.m. and midnight? I'm looking specifically for anything sent or received, anything opened during that time, appointments or other calendar invites accepted, etc.

Thank you,

Jeff
